Objective

To create a harmonious environment with print, web and video as the vessels of communication. Prepared to apply my experience creating unique design possibilities and working solutions for design issues.

Experience

Art Director, UBM Electronics

2006-2011 Los Angeles

Responsible for the overall visual design of various magazines, videos, photographs and interactive media. Decide on the best way to visually represent information and concepts. Worked with team of Art Directors to develop the identity of EMDT (European Medical Device Technology). EMDT became widely accepted throughout the med tech industry and in addition won a 2010 Tabbie Award.

Graphic Designer, HecTorres Design

2002-2011, Los Angeles

Creative solutions for businesses and institutions across a variety of media. Created a holiday catalog for Saint Finbar Church in Burbank. The goal of the book was to raise \$450K in donations to complete the constructions of a new school. The project was a success and the school is now complete.

Graphic Designer, Aquent

2005-2006, Los Angeles

Provide production and design services to top tier companies. Projects include CD packaging, signage, brochures, ads, billboards, collateral, and logo design. Worked with Art Director from EMI/Capitol Records to design the Blondie, Al Green and Poison, re-release albums and catalog ads.

Graphic Designer, Digital City Graphics

2004-2005, Chicago

Applied branding knowledge to interior décor, interoffice workflow, marketing services, and P.O.P. displays to increase brand recognition. Managed print projects from start to finish: market, quote, sell, design, pre-press, press, payment and delivery.

Education

BFA, Graphic Design, 2004

SUNY Purchase College
Purchase, NY

Programs

Adobe InDesign, Adobe Photoshop, Adobe Illustrator, Flash, Dreamweaver, Power Point, Blender (3D Rendering), Eclipse, Anygraaf (Content Management System), Universal Type, Microsoft Word, Excel, Finalcut, Mac, Windows
